INDIVIDUAL PARTNER REFERRAL AGREEMENT

Student Acquisition & Content Creator Introduction Partnership

Date: 31 July 2026 **Agreement Reference:** AIIT/PART/REF/2026/002

1. PARTIES

This Individual Partner Referral Agreement (the “Agreement”) is entered into between:

Azraa Institute of Information Technology (AIIT), operating as AIIT Academy / AIIT.network, with its registered office at 36, Farook Nagar 1st Cross, Kovaipudur, Coimbatore – 641042, Tamil Nadu, India (hereinafter referred to as “AIIT”, “the Institute”, or “we”);

AND

(Full Name of Individual Partner)

Address: _____

Email / Phone: _____

(hereinafter referred to as the “Partner” or “you”).

AIIT and the Partner are collectively referred to as the “Parties”.

2. PURPOSE OF THE AGREEMENT

The purpose of this Agreement is to appoint the Partner to identify, mobilise and refer eligible individuals to register and enrol on the AIIT.network learning platform for AIIT’s technology and digital skills programmes. The Partner may also introduce Content Creators who will further promote AIIT programmes to their audiences.

3. ELIGIBLE STUDENT / LEARNER CATEGORIES

The Partner is authorised to refer individuals who fall into any of the following categories:

- **Senior Secondary / Pre-University level:** Students in SS3 / Standard 12 / Class 12 / Plus Two, and also SS2 / Standard 11 / Grade 11 / Class 11 (or equivalent senior secondary levels in West Africa, Asia and other regions);
- Individuals engaged in business or professional work;
- Students currently enrolled in higher education institutions;
- Graduates seeking to upskill or reskill in technology and digital fields.

All such categories are eligible to join the AIIT platform (including any related learning environment referred to as GenD or similar).

4. STUDENT DISCOUNT INCENTIVE (WHY STUDENTS REGISTER THROUGH THE PARTNER)

To encourage eligible individuals to register through the Partner rather than coming to the AIIT.network website directly, the following incentive applies:

- **Referred Students:** Any student who registers on the AIIT platform using the Partner’s unique referral / promo code (or a Content Creator’s code introduced by the Partner) shall receive a **ten percent (10%) discount** on the published fee of the course(s) for which they enrol.
- **Direct (Non-Referred) Students:** Students who register directly on the AIIT.network website without using any Partner or Content Creator referral / promo code shall pay the full published course fee with no discount.

This 10% discount is the primary commercial reason for a student to choose to register through the Partner. The Partner is expected to clearly communicate this benefit when promoting AIIT programmes.

5. OBLIGATIONS OF THE PARTNER

5.1 The Partner shall promote AIIT programmes honestly and accurately, and shall not make false or misleading claims about courses, fees, outcomes, internships or scholarships. The Partner shall correctly present the 10% discount available only to referred students.

5.2 The Partner shall ensure that referred individuals meet the eligibility categories described in Clause 3 and that registrations are genuine.

5.3 The Partner shall use only approved promotional materials, links or unique referral / promo codes issued by AIIT.

5.4 The Partner shall not collect course fees from students on behalf of AIIT unless expressly authorised in writing.

6. COMMISSION STRUCTURE

Subject to successful registration and verification of the referred learner on the AIIT platform, the Partner shall be entitled to the following commissions (all amounts in United States Dollars – USD):

Referral Type	Condition	Commission to Partner
Direct Referral	Partner brings the student directly (student registers using the Partner's direct referral/promo code)	\$7.00 per successfully registered student
Via Content Creator	Partner introduces a Content Creator; the Creator then refers students using the Creator's promo code	\$5.00 per student referred by that Content Creator
Volume Uplift – Direct	Partner's cumulative direct student referrals reach 500 or more students	\$10.00 per student (applies across the Partner's direct referrals once the 500 threshold is met)
Volume Uplift – Content Creator	A Content Creator introduced by the Partner generates 500 or more students within a defined session/period	\$10.00 per student from that Content Creator for the Partner (for that qualifying session/period)

6.1 "Successfully registered" means the student has completed the required registration process on the AIIT platform and has been verified by AIIT as a valid new learner attributable to the Partner's or the Content Creator's referral code, and (where applicable) has been granted the 10% referred-student discount described in Clause 4.

6.2 Commissions become payable only after AIIT's verification and according to the payment schedule agreed in writing or stated in AIIT's partner guidelines.

7. CONTENT CREATORS

7.1 A "Content Creator" for the purpose of this Agreement is an individual or entity with a significant online followership, with a preferred benchmark of approximately **50,000 followers or more** (or a followership reasonably close to this benchmark as may be accepted by AIIT on a case-by-case basis).

7.2 When the Partner introduces a Content Creator to AIIT, AIIT may enter into a **separate agreement** directly with that Content Creator regarding promotional activities, promo codes, and any compensation payable by AIIT to the Content Creator. Such agreement is solely between AIIT and the Content Creator.

7.3 The Partner may maintain a private, independent commercial arrangement with any Content Creator the Partner introduces. Any such private arrangement is entirely between the Partner and the Content Creator and does not involve AIIT, create any obligation on AIIT, or affect the commissions payable by AIIT to the Partner under this Agreement.

7.4 For every student successfully referred by a Content Creator introduced by the Partner (using the Creator's assigned promo code), the Partner shall receive the commission stated in Clause 6 (\$5, or \$10 if the volume uplift condition is met). Students referred via such Content Creators also receive the 10% discount under Clause 4.

8. PAYMENT TERMS

8.1 AIIT shall maintain records of referrals attributed to the Partner and to Content Creators introduced by the Partner.

8.2 Commissions shall be calculated and paid periodically (e.g., monthly or as otherwise agreed in writing) after verification of eligible registrations. Payment method (bank transfer, digital wallet, or other agreed channel) and any applicable tax deductions shall be confirmed in writing.

8.3 AIIT reserves the right to withhold or reverse commission on registrations that are found to be fraudulent, duplicated, or otherwise invalid.

9. TERM AND TERMINATION

9.1 This Agreement shall commence on the date of the last signature and continue until terminated by either Party.

9.2 Either Party may terminate this Agreement by giving thirty (30) days' written notice to the other Party.

9.3 AIIT may terminate this Agreement immediately in cases of material breach, fraud, misrepresentation, or conduct that damages AIIT's reputation.

9.4 Upon termination, the Partner remains entitled to commissions already earned on verified registrations completed before the effective termination date, subject to Clause 8.

10. GENERAL PROVISIONS

10.1 **Non-Exclusivity.** This Agreement is non-exclusive. AIIT may appoint other partners, and the Partner may promote other programmes, provided there is no conflict of interest or misuse of AIIT materials.

10.2 **Independent Contractor.** The Partner is an independent contractor and not an employee, agent, or legal representative of AIIT. The Partner has no authority to bind AIIT.

10.3 **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of Nigeria and the laws of India. The Parties shall first attempt to resolve any dispute amicably. Failing resolution within thirty (30) days, disputes may be referred to the competent courts in Port Harcourt, Rivers State, Nigeria, or Coimbatore, Tamil Nadu, India, as the Parties may mutually agree or as appropriate to the nature of the dispute.

10.4 **Entire Agreement.** This document constitutes the entire agreement between the Parties concerning the subject matter and supersedes prior discussions relating thereto. Amendments must be in writing and signed by both Parties.

10.5 **Counterparts.** This Agreement may be executed in counterparts (including electronic/PDF copies), each of which shall be deemed an original.

11. SIGNATURES

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date first written above or the date of the last signature below.
